

We now provide On-the-Farm tire service with the addition of our service truck – available days (available evenings and weekends during spring and fall farm work). One of our experienced team members will come to your farm or place of business with our fully equipped service truck and get your tire fixed or replaced – and get you back to work again. Call Holland Tire & Service for all your tire needs.

- Days: 641-585-2231
- Evenings/Weekends: 641-529-6626
